SUBJECTS

Apparatus/Maintenance

Apparatus Chassis Selection Criteria. J. Wilkins. (Apparatus: the Shops) Feb, p44.

Apparatus Engine and Transmission Selection Considerations. J. Wilkins. (Apparatus: the Shops). Jan, p22.

Apparatus Maintenance and Repair. (Roundtable) Oct, p28.

Apparatus Showcase and Bulletin Boards: Justifying Apparatus Purchases: A Necessary Evil. W.C. Peters. Oct, p127; Specifying Aerial Apparatus. W.C. Peters. Oct, p133.

Combining Apparatus Safety, Maintenance, and Training. J. Glatts. (Training Notebook) Oct, p14.

Evaluating and Selecting New Apparatus. J. Wilkins. (Apparatus: the Shops) Apr, p122.

Even More on Apparatus Positioning. T. Brennan. (Random Thoughts) Feb, p184.

Firestone Tire Failures: Are You Tempting Fate? T.R. Mackay, Jr. Nov, p55.

Freightliner Alerts Fire/Emergency Vehicle Customers to Bendix Brake System Recall. (News in Brief) Nov, p40.

"Hey, Where Do You Want This Truck?" T. Brennan. (Random Thoughts) Nov, p104.

How to Avoid False Readings at the Pump Panel. S. Loeb. (The Engine Company) Apr, p30.

How Well Do You Know Your "Office"? D.G. Kilbury. (Training Notebook) May, p12.

NAEVT Establishes Institute. (News in Brief) July, p42.

New Apparatus Change Orders. B. Adams. (Apparatus: the Shops) May, p95.

Plan for Tool and Equipment Maintenance, A. R. Downey. (Training Notebook) June, p18.

Positioning Apparatus for Safety. B. Pressler. (Fire Focus) Apr, p35.

Preconnected Hoselines. W.C. Peters. (Apparatus Points to Ponder) Oct, p26.

Specifying and Purchasing a Rescue Truck. W.C. Peters. June, p87.

Still More on Trucks. T. Brennan. (Random Thoughts) Jan, p244.

White Paper: Report to the American Fire Service. Mar, p140.

Budget and Finance

Clinton Administration Comes Out in Support of Paxcrell Bill. (News in Brief) Aug, p50.

Clinton Pledges Millions for Wildland Firefighting. (News in Brief) Oct, p44.

DOT Awards Grants for Hazardous Materials Planning and Training. (News in Brief) Dec, p26.

Evaluating and Selecting New Apparatus. J. Wilkins. (Apparatus: the Shops) Apr, p122.

FEMA, IAFC, and NFPA Fund Harvard Fellowships. (News in Brief) July, p42.

FIRE Act Moves Forward in Senate. (News in Brief) Nov, p42.

FIRE Bill Passes the House. (News in Brief) Dec, p26.

Fire Service Testifies on Behalf of FIRE Bill. (News in Brief) Oct, p44.

$5 Billion Dream, The. B. Manning. (Editor's Opinion) Aug, p4.

$5 Million Funding for Volunteer Fire Assistance Program. (News in Brief) Aug, p48.

FLAME Bill Would Establish Grant Program for Volunteer Departments. (News in Brief). Jan, p44.

Glass Is Half Full and Half Empty, The. B. Manning. (Editor's Opinion) Nov, p4.

Grant Program for Pennsylvania Volunteer Fire Companies Proposed. (News in Brief) Apr, p52.

House Approves Supplemental Amendment for $100 Million for Fire Service. (News in Brief) June, p42.

Hurricane Floyd Inflicts Losses on North Carolina and Virginia Firefighters. (News in Brief). Jan, p40.

IAFF Announces Priorities in National Legislation. (News in Brief) Apr, p52.

IAFF Receives $250,000 U.S. DOT Grant. (News in Brief) Dec, p26.

Limited Funding for Training: Doing More with Less. D.G. Kilbury. (Training Notebook) Apr, p24.

NVFC Seeks Departments That Have Been Awarded Block Grants. (News in Brief) Aug, p47.

OSHA Receives Eight-Percent Increase for FY2000. (News in Brief). Feb, p57.

Partnering with Business and Industry. R. Hanse. (Volunteers Corner) Apr, p10.

San Manuel Mission Indians and City of San Bernardino Form "Partnership." (News in Brief) Oct, p44.

Senate Passes FIRE Bill as an Attachment to Defense Authorization Legislation, But Future Is Uncertain. (News in Brief) Sept, p30.

Senator McCain Plans to Hold Fire Act Hearing. (News in Brief) Aug, p51.

Setting Up a Successful Field/Wear Test. S. Winters. Apr, p111.

Specifying and Purchasing a Rescue Truck. W.C. Peters. June, p87.

Volunteer Training: Another Approach. E. Buchanan and S. Dale. (Volunteers Corner) Sept, p8.

White Paper: Report to the American Fire Service. Mar, p140.

Who's in Charge? S.A. Salvia. (Volunteers Corner) Oct, p10.

Wildland Firefighter Shortages. (News in Brief) Aug, p51.

Building Construction

Ambient Air Supply to High-Rise Fires: Update. F.L. Brannigan. (The Ol'Professor) July, p92.

Building Products Evaluated for Compliance with International Codes. (News in Brief). Jan, p46.

Call for Action by Fire Chiefs, A. F.L. Brannigan. (The Ol' Professor) May, p103.

Cocoanut Grove Fire, The: A Nonmystery. F.L. Brannigan. (The Ol' Professor) Sept, p77.

Devil's Advocate. F.L. Brannigan. (The Ol' Professor) Jan, p109.

Fighting Fires at Fast Food Restaurants. J.A. Kirsch. May, p51.

ICBO Adds Fire Service Division. (News in Brief) July, p44.

International Certification Exam for Housing Inspectors Announced. (News in Brief). Jan, p46.

New Construction, Old Problems. A.B. Clark, Jr. Apr, p75.

NFPA Metro Chiefs Endorse Consensus Codes™. (News in Brief) June, p48.

Post-Tensioned Concrete Building Fire: Update. F.L. Brannigan. (The Ol' Professor) Nov, p87.

Preincident Intelligence: A Case History. E.G. Bachman. May, p87.

Preplanning Building Hazards. F.L. Brannigan. Feb, p142; Apr, p124; Aug, p150; Oct, p169.

Protecting Buildings from Chemical and Biological Attack. N.J. Glover. Feb, p97.

Signs of Impending Building Collapse, The. T. Brennan. (Random Thoughts) July, p108.

What Does "Exposure" Mean? F.L. Brannigan. (The Ol' Professor) Mar, p173.

Communications

Phone Number Portability May Pose Problems for Dispatchers and Consumers. (News in Brief) June, p46.

Wireless Phone in Emergency Operations, The. H.J. Oster. Oct, p100.

Disaster Management

DOE Offers First-Responder Programs for Emergencies Involving Radioactivity. D. Kubicki. (News in Brief) Sept, p26.

Earthquakes: Lessons from the Past, Part 1. L. Collins. June, p67; Part 2. July, p78.

Emergency Response to Terrorism: Training Courses. K.O. Burris, Jr. (USFA Today) Oct, p174.

Explosives Incident: A Multiagency Challenge. G. Rudner. Apr, p81.

Hurricane Floyd Inflicts Losses on North Carolina and Virginia Firefighters. (News in Brief). Jan, p40.

NFPA and FEMA Form Partnership. (News in Brief) July, p42.

Nuclear Accidents: Learning from Japan. A.M. Gaglierd. Nov, p61.

Protecting Buildings from Chemical and Biological Attack. N.J. Glover. Feb, p97.

Schools Not Prepared for Violence and Terrorism: ASSE Foundation Report. (News in Brief) Mar, p48.

UDOT Announces Emergency Preparedness Initiatives for 2002 Winter Olympics. (News in Brief) Oct, p46.

Emergency Medical Services

ACEP: Nation's Emergency Departments in Jeopardy. (News in Brief) June, p44.

American Heart Association Revises CPR Guidelines. (News in Brief) Oct, p48.

Cardiac Arrest Survival Act Passes House. (News in Brief) Aug, p48.

Cause of Automatic Defibrillator "Ventings" Under Study. (News in Brief). Jan, p38.

Costs of Delayed Emergency Response, The. W.C. Nicholson. Dec, p59.

Emergency Medical Services. (Roundtable) Mar, p22.

EMS Week Activities Announced. (News in Brief) May, p40.

Hepatitis C and the Fire Service: Part 1: Assessing the Risk. M.J. Dittmar. Dec, p39.

HHS Proposes Antikickback Safe Harbor for Ambulance Restocking. (News in Brief) Aug, p48.

House Passes FLSA Firefighter/Paramedic Bill. (News in Brief). Jan, p42.

Legislative Mandate and EMS. K.O. Burris, Jr. (USFA Today) Nov, p92.

OSHA Revises Bloodborne Pathogens Directive. (News in Brief) Apr, p52.

Proposed NFPA 1710, Part 2. (Roundtable) Dec, p18.

"Selling" Safety at the Mall. D. Jennings. Feb, p139.

Fire/Incident Reports

Explosives Incident: A Multiagency Challenge. G. Rudner. Apr, p81.

Leaking Liquefied Cryogenic Hydrogen Cargo Tank. S.L. Hermann. (Haz Mat: On the Line) Jan, p113.
